absolute value. To subtract with whole chips, start modeling the first number (the minuend) with whole chips. They can be used to help students see more clearly how certain entire questions end with positive and negative results. You can think that the subtraction of integers can be deleted. Modelela -5 with five red chips and 7 with seven yellow chips. Add leaves Whole Have you heard about two-color counters and how they can make your life much easier while helping students understand the integers better? There are many By what a knowledge of the integers is useful, even if it is not going to follow an accounting or diving race in the sea. race.
